closers character starter pack

\$20 costume + \$15 elite + 4 steam-exclusive contact lens + 50 resurrection capsules + 100 dual instant potions + 50 exp potions + 100 item find potions + some extra stamina potions for \$30. It's a really good deal if you enjoy CLOSERS IMO.. Cheaper paying set by far than the in-game EMP costume.

+ Even better than using the washing machine.

+ Permenant 2 star costumes, whole set to boot.

+ 30 days ELITE

\* One character costume only, but others can shared between charas. Fair price for the pack, but the costume and accessories only works for a single character. Still worth every cents. This is a good value I purchased this DLC yesterday sadly I have not received it after 24 hours of purchasing it. Can I please have my DLC :( Please, give me my DLC ;\_:. like the game, and very easy to play. addict on that.
